

Super Summer Squash Casserole

by Donna VanBuecken www.accentnatural.com

Layer in casserole dish to your liking, thinly sliced:

Zucchini

Summer squash

Eggplant

Tomato

Onion

Sprinkle of fresh basil

Season with salt, pepper and bit of garlic powder.

Then add a layer of shredded medium cheddar or Monterey Jack cheese, and then start layering from the beginning again until casserole dish is full. (Usually about 3 layers.) Bake in 375 degree oven for 30-45 min or until crispy tender.

Variation: Add some cooked meat, i.e., ground beef or venison, chicken or turkey, pork sausage, etc
